Independent thinkers

Stamfordian spirit

One size does not fit all. Stamfordians are independent thinkers nurtured by talented teachers, who help to inspire intellectual curiosity, spark passion, create enthusiasm and confidence, and embrace originality.

Unlocking potential

Our Schools embed a culture of high performance and excellence. Half of our leavers go on to Russell Group universities, but our pupils are not limited in their options - an overwhelming majority of Stamfordians leave us to pursue their first choice as they take their next steps.

Our pupils pass over a quarter of all A Levels at the top grades of A* and A

Diamond school

Diamond schools are co-educational in the junior years, single-sex from age 11 - 16, and co-educational for the Sixth Form.

Why? A single sex atmosphere increases attainment.

Keep championing every child

Your child is an individual - and at Stamford, we value that above all. Our staff adapt to each pupil: their goals and aspirations become ours.

430+

clubs

Exceptional opportunities

With more than 430 clubs and activities every week, our Schools offer a staggering variety of opportunities ranging from sailing, rugby, cricket, badminton, hockey, netball, astronomy, adventure and leadership. We call this 'co' rather than 'extra' curricular, because it is an integral part of every child's experience.

500+

music lessons per week

Performing arts

Stamford is vibrant with drama productions and music performances.

The results speak for themselves: a wealth of opportunities to showcase their talents, and a jam-packed yearly calendar of events, mean that our pupils consistently succeed in going beyond what they believe they can achieve.

Sporting ambition

At Stamford Junior School, every child from Year 3 and above has an opportunity to represent their school in every term of sport.

We have an official rugby partnership with Leicester Tigers and Loughborough Lightning for netball. The Schools organise unforgettable sports tours to places such as Sri Lanka, South Africa, Australia and New Zealand.

An exceptional Sixth Form environment

Sixth Form enables students to develop freedom and responsibility. In the heart of the historic town of Stamford, our students become independent, thoughtful and considerate young adults, and take their first steps into the wider world.

Britain's

best place to live

Our Schools have been an integral part of the historic Georgian town of Stamford for over 500 years.

One of the safest, friendliest and most beautiful towns in Britain, Stamford combines important and ancient buildings with a bustling high street and arts scene: it is the best possible place for young people to grow and learn.

The Sunday Times agrees: Stamford is one of the best places to live in Britain.

'Beautiful mellow limestone buildings, quirky narrow passages and stunning riverside views.'

Happiness

“”

‘We have total peace of mind that Stamford is the right place for our son and daughter... They are happy, we are happy, and we know that, not only are they getting a great education, but they are in a caring environment with a great level of support.’

Support

Prepare for launch

Every student has the support they need to prepare for their next steps: we offer one-to-one interviews with professionals and local businesses; networking and support from Old Stamfordians; expert careers and university advice; and meetings with global organisations at our annual careers convention.

'It is a gem of a school.'
